### Important Information

Under superannuation legislation, Australian Ethical Super is prohibited from providing you with insurance cover if your superannuation account has not received any contributions or other amounts for a continuous period of 16 months (inactive account), or if your superannuation account has not had a minimum balance of \$6,000 at least once (low balance), and/or you are under 25 years of age, unless you make an appropriate election.

If your application for insurance is accepted, it will be treated as an election made by you to permit Australian Ethical Super to provide you with insurance cover even if your account is inactive or has a low balance, or you are under 25 years of age. The election will apply to all insurance cover through your account, including any cover for death, total and permanent disablement and income protection that you already hold in your account and any insurance cover that you are applying for in this application.

If you do not wish for your insurance application to be treated as an election, you can withdraw your election at any time by contacting Australian Ethical Super.

## Section 8. Duty of Disclosure

Before you become insured under the Australian Ethical Super insurance policy, you have a duty to tell us anything that you know, or could reasonably be expected to know, that may affect our decision to provide you cover and on what terms. For the purposes of this section, 'us' and 'we' means Australian Ethical Super's insurer.

This duty applies until we agree to provide your cover. You also have this duty when you extend, vary or reinstate your cover.

You don't need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

### **If you don't tell us something**

In exercising the following rights, we may consider whether different types of cover can constitute separate insurance policies. If they do, we may apply the following rights separately to each type of cover.

If you don't tell us anything you're required to, and we wouldn't have provided the cover if you had told us, we may avoid the cover within three years of entering into it.

If we choose not to avoid the cover, we may, at any time, reduce the amount of cover provided. This would be worked out using a formula that takes into account the premium (insurance cost) that would have been payable if you had told us everything you should have. However, if the policy provides cover on death, we may only exercise this right within three years of entering into the cover.

If we choose not to avoid the cover or reduce the amount of cover provided, we may, at any time vary the cover in a way that places us in the same position we would have been in if you had told us everything you should have. However, this right doesn't apply if the policy provides cover on death.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the cover as if it never existed.

## Section 9. Declaration

- I have read and understand my Duty of Disclosure and understand that this duty applies until formal notification of acceptance.
- My answers to the questions are true, and I have not deliberately withheld any information or material to the proposed insurance.
- I have read and understood the Privacy Disclosure Statement entitled 'Privacy - Use and Disclosure of personal information'. I consent to the collection, use and disclosure of my personal (including sensitive) information in accordance with the terms of these documents.
- I understand that cover under a policy does not begin until acceptance by the insurer, of which I will be notified in writing.
- I understand that if my superannuation account has not received any contributions or other amounts for a continuous period of 16 months (**inactive account**), superannuation legislation will prohibit Australian Ethical Super from providing me with insurance cover unless I make an appropriate election.
- I understand Australian Ethical Super will not be permitted to provide insurance cover from 1 April 2020, if my superannuation account has not had a minimum balance of at least \$6,000 after 1 November 2019 (**low balance**) and/or I am under 25 years of age, unless I make an appropriate election.
- If my application is accepted, I direct Australian Ethical Super to accept this application as a valid election to be provided with insurance cover even if my account is an inactive account, has a low balance or I am under 25 years of age.
- I understand this election will apply to all insurance cover through my account, including any cover for death, total and permanent disablement and income protection that I already hold in my account and/or that I am applying for by this application.
- I understand this election will continue to apply to my insurance cover, unless and until it is withdrawn by me in writing or over the phone. I understand that I can withdraw my election at any time.
- I also understand that I can, at any future time, decrease or cancel my insurance cover by contacting Australian Ethical Super.
- I understand the cost of my insurance cover will continue to be deducted from my super account on a monthly basis. If there isn't enough money in my super account to cover the cost of insurance, my cover will be cancelled.
- I have read and understood the current Australian Ethical Super Product Disclosure Statement (PDS) and the incorporated Insurance Guide.
- I agree to be bound by the terms and conditions set out in the MetLife Group Insurance Policy.
