

Community Grants

Correction to 2012 Annual Report and Shareholder Newsletter

The 2012 Company Annual Report and Shareholder Newsletter both contain information on our community grants donations for 2012 (pages 9-10).

Unfortunately, both documents state incorrectly that we have allocated only \$40,000 in donations. In reality, the actual community grants allocation for 2012 is \$53,325.

For the correct community grant allocations for 2012 please visit the following page of our website.
