The occupation category that applies to you depends on your responses to the questionnaire below:

Important note if you have Income Protection cover: If you are no longer in permanent employment or self-employment when you become disabled, the income protection benefits that the Insurer will pay is limited to a maximum of 2 years. No premium refund will be made if your benefit period is longer than 2 years. It is important to update your Income Protection benefit period if your employment status changes (for example, if you become a casual employee or a short-term contractor) so that we can decrease your premium.

Section 3: Smoker status

Complete this section if you have not previously nominated a smoker status or you wish to change your current smoker status.

Have you smoked any substance, including cigarettes, e-cigarettes or used nicotine replacement products within the last 12 months?

Yes

No

Fixed Cover premium rates are determined by your smoker status (amongst other things).

If you're applying for Fixed Cover under either **Section 6. Convert your cover** or **Section 7. Reduce Death and Total and Permanent Disablement cover** of this form and you do not have a smoker status, your application form cannot be processed by us and the form may be returned for you to complete this section.

If you currently have Default Cover and you wish to only cancel your Total and Permanent Cover cover under **Section 4. Cancel cover** of this form, you will need to complete this section to nominate your smoker status.

Section 4: Cancel cover

I wish to cancel the following insurance cover:

Death

Total and Permanent Disablement

Income Protection

Please note that you cannot have standalone Total and Permanent Disablement (TPD) cover under Australian Ethical Super, which means that if you wish to keep your TPD cover, you also need to keep your Death cover.

If you currently have Default Death and TPD insurance and you decide to cancel your Default TPD cover, you are effectively decreasing your Default Cover and your Death Cover will be converted to Fixed Death Cover. Fixed premiums rates will apply. You will no longer hold Default Death and TPD Cover.

If you currently have Fixed Death and TPD cover and you cancel your TPD cover there will be no impact to your Death cover ie your Death Cover will remain as Fixed Cover.

There are a few things that you will need to be aware of when cancelling your cover:

- if you are cancelling within 90 days of cover first commencing, your cover will cease from the date the cover started and all premiums that were deducted will be refunded. This means that you will not be able to make a claim for the cover that is cancelled
- otherwise if you are cancelling after 90 days of cover first commencing, cover will be cancelled from the date we receive your cancellation request and premiums will be charged up to the date your cover is cancelled. You will not be able to make a claim for a claim event that occurred on or after the date your cover is cancelled
- should you wish to apply for insurance cover at a later date after your cover is cancelled, you will be required to provide additional information which is subject to the acceptance by the Insurer

Section 5: New Member Offer increase

Complete this section if you wish to increase your Default Cover by a multiplier of 1.30 or 1.60 without medical evidence.

You can do this provided that within 120 days of joining Australian Ethical Super:

- your Default Cover starts (either by you opting in, or reaching Age 25 and having an account balance of at least \$6,000), and
- your account receives an Employer Contribution from your employer.

You will need to apply for the New Member Offer within 60 days of your first Employer Contribution.

Any restrictions that applied to your Default Cover will continue to apply to the increased cover under this New Member Offer.

I would like to increase my Default Cover to a multiple of:

1.30

1.60

Section 6: Convert your cover to Fixed Cover

Complete this section if you want to convert your current age-based Default Cover to Fixed Cover.

There are a few things about Fixed Cover you should be aware of:

- Total and Permanent Disablement cover cannot be higher than Death cover
- the amount of cover you hold will stay the same and won't reduce as you get older, however your Total and Permanent Disablement cover will start to reduce each year from age 61 until it is reduced to nil upon reaching age 70
- the cost of your cover will generally increase each year on your birthday
- insurance premiums for Fixed Cover is determined by the amount of cover you have, your age, your sex at birth, and your smoker status. If you have not previously nominated a smoker status with us, you will need to do so by completing **Section 4. Smoker Status** of this form
- any restrictions that applied to your age-based cover will continue to apply to your new Fixed Cover
- you should review your cover periodically to make sure it's still appropriate to you
- if you need additional cover, you will need to apply to the Insurer
- you won't be eligible for age-based cover or Default Cover in the future

I want to convert my age-based Death and Total and Permanent Disablement cover to Fixed Cover.

If you're currently under 25 and you have Total and Permanent Disablement Cover that is higher than Death Cover, you will need to either increase your Death Cover or reduce your Total and Permanent Disablement Cover if you want Fixed Cover.

You can reduce your cover under **Section 7. Reduce Death and Total and Permanent Disablement cover** of this form, or apply for additional cover by completing the [Form 7. Reduce Death and Total and Permanent Disablement cover](#) available from our website and providing the information that the Insurer requires, subject to the Insurer's acceptance.

Section 7: Reduce Death and Total Permanent Disablement Cover

You can reduce your current Death and Total and Permanent Disablement Cover by entering the amount of cover you require below:

Death Cover: \$

TPD Cover: \$

If you currently have age-based Death and Total and Permanent Disablement Cover and you reduce your cover, your age-based Death and Total and Permanent Disablement Cover will automatically be converted to **Fixed Cover**. You'll need to complete **Section 3. Smoker Status** of this form to ensure that your Fixed Cover premiums are being deducted correctly.

Section 8: Reduce Income Protection cover

You can reduce your current Income Protection cover by entering the amount of cover you require below:

Income Protection Cover: \$

It is important to update your Income Protection benefit period if your employment status change so that we can decrease your premium.

Section 10: Duty of disclosure

Duty of disclosure

Before you become insured under the Australian Ethical Superannuation insurance policy, you have a duty to tell us anything that you know, or could reasonably be expected to know, that may affect our decision to provide you cover and on what terms. For the purposes of this section, 'us' and 'we' means Australian Ethical Superannuation's insurer.

This duty applies until we agree to provide your cover. You also have this duty when you extend, vary or reinstate your cover.

You don't need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If the person entering the contract does not tell the insurer something

In exercising the following rights, we may consider whether different types of cover can constitute separate insurance policies. If they do, we may apply the following rights separately to each type of cover.

If you don't tell us anything you're required to, and we wouldn't have provided the cover if you had told us, we may avoid the cover within three years of entering into it.

If we choose not to avoid the cover, we may, at any time, reduce the amount of cover provided. This would be worked out using a formula that takes into account the premium (insurance cost) that would have been payable if you had told us everything you should have. However, if the policy provides cover on death, we may only exercise this right within three years of entering into the cover.

If we choose not to avoid the cover or reduce the amount of cover provided, we may, at any time vary the cover in a way that places us in the same position we would have been in if you had told us everything you should have. However, this right doesn't apply if the policy provides cover on death.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the cover as if it never existed.
