

# Australian Ethical<sup>®</sup> Investment

for Investors, Society and the Environment

## ASX Announcement

ASX Code: AEF  
Date: 15 June 2006

### Full year profit expectation

Australian Ethical Investment Limited advises that profit for the year to 30 June 2006 is expected to be 65% to 80% over that recorded for the previous corresponding period. This expectation is based on unaudited management accounts to end May 2006 and on management estimates for June 2006.

Australian Ethical operates four registered managed investment schemes and a public offer superannuation fund. Over the year to date, Australian Ethical has experienced growth in its funds under management which has led to an increase in profitability.

End/.
