Section 3: Declaration and Signature

- acknowledge that I have read and understood this form.
- for Option 1, and (if my application is accepted) if I am under 25 or aged under 65 and/or my account has not yet had a minimum balance of \$6,000 – I direct Australian Ethical Super to accept this as a *valid election* to be provided with Default Cover
- for Option 1, 2 and 3, and (if my application is accepted) if my account is an *inactive account* – I direct Australian Ethical Super to accept this as a *valid election* to keep my insurance cover even if my account is or becomes an *'inactive account'*.
- understand this election will apply to all insurance cover I already have in my account (including any cover for Death, Total and Permanent Disablement and Income Protection) or if I am a new member, will apply to Default Cover, which comprises of Death and TPD Cover.
- understand the cost of my insurance cover will continue to be deducted from my super account on a monthly basis. If there isn't enough money in my super account to cover the cost of insurance, my cover will be cancelled.
- understand that I can cancel or change my insurance at any time.
- acknowledge that I have read and agree to be bound by the terms and conditions of the insurance cover offered by the fund which is set out in the Insurance Guide available at australianethical.com.au/super/pds.
- acknowledge that I have read the Privacy Collection Notice (super) available at australianethical.com.au/privacy-policy. I consent to the collection, use and disclosure of my personal information in accordance with that notice.
- acknowledge that if I previously held Default Cover within the fund, I am ineligible to obtain Default Cover again, therefore this application will be invalid.
- I understand that before making any financial decision it's important for me to evaluate the appropriateness of insurance to my financial circumstances, needs and objectives.
