Section 3: Your smoking status

Complete this section if you have not previously nominated a smoker status or you wish to change your current smoker status.

Have you smoked any substance, including cigarettes, e-cigarettes or used nicotine replacement products within the last 12 months?

Yes No

! Fixed Cover premium rates are determined by your smoker status (amongst other things).

If you're applying for Fixed Cover under either **Section 6. Convert your cover to Fixed Cover** or **Section 7. Reduce Death and Total and Permanent Disablement Cover** of this form and you do not have a smoker status, your application form cannot be processed by us and the form may be returned for you to complete this section.

If you currently have Default Cover and you wish to only cancel your Total and Permanent Cover cover under **Section 4. Cancel your cover** of this form, you will need to complete this section to nominate your smoker status.

Section 4: Cancel your cover

I wish to cancel the following insurance cover:

Death Total and Permanent Disablement Income Protection

Please note that you cannot have standalone Total and Permanent Disablement (TPD) Cover under Australian Ethical Super, which means that if you wish to keep your TPD Cover, you also need to keep your Death Cover.

If you currently have Default Death and TPD Cover and you decide to cancel your Default TPD Cover, you are effectively decreasing your Default Cover and your Death Cover will be converted to Fixed Death Cover. Fixed premiums rates will apply. You will no longer hold Default Death and TPD Cover.

If you currently have Fixed Death and TPD cover and you cancel your TPD Cover there will be no impact to your Death Cover ie your Death Cover will remain as Fixed Cover.

There are a few things that you will need to be aware of when cancelling your cover:

- if you are cancelling within 90 days of cover first commencing, your cover will cease from the date the cover started and all premiums that were deducted will be refunded. This means that you will not be able to make a claim for the cover that is cancelled
- if you are cancelling after 90 days of cover first commencing, cover will be cancelled from the date we receive your cancellation request and premiums will be charged up to the date your cover is cancelled. You will not be able to make a claim for a claim event that occurred on or after the date your cover is cancelled
- should you wish to apply for insurance cover at a later date after your cover is cancelled, you will be required to provide additional information which is subject to the acceptance by the Insurer

OR

Opt-out of Default Death and TPD Cover before it starts automatically

Please note that by selecting this option, you have opted out of receiving Default Death and TPD Cover once you meet the eligibility criteria (aged 25 and under 65 and have reached \$6,000 in your super account).

If you choose to have cover in the future, it will be subject to a health assessment and acceptance by the insurer. You may not be able to get cover at all or it may be subject to exclusions or loadings for certain conditions.

Section 5: New Member Offer

Complete this section if you wish to increase your Default Cover by a multiplier of 1.30 or 1.60 without medical evidence.

You can do this provided that within 120 days of joining Australian Ethical Super:

- your Default Cover starts (either by you opting in, or reaching age 25 and having an account balance of at least \$6,000), and
- your account receives an Employer Contribution from your employer.

You will need to apply for the New Member Offer within 60 days of your first Employer Contribution.

Any restrictions that applied to your Default Cover will continue to apply to the increased cover under this New Member Offer.

I would like to increase my Default Cover to a multiple of:

1.30 1.60

Section 6: Convert your cover to Fixed Cover

Complete this section if you want to convert your current Default Cover to Fixed Cover.

There are a few things about Fixed Cover you should be aware of:

- Total and Permanent Disablement Cover cannot be higher than Death Cover
- the amount of cover you hold will stay the same and won't reduce as you get older, however your Total and Permanent Disablement Cover will start to reduce each year from age 61 until it is reduced to nil upon reaching age 70
- the cost of your cover will generally increase each year on your birthday
- insurance premiums for Fixed Cover is determined by the amount of cover you have, your age, your sex at birth, and your smoker status. If you have not previously nominated a smoker status with us, you will need to do so by completing **Section 3. Your Smoker Status** of this form
- any restrictions that applied to your Default Cover will continue to apply to your new Fixed Cover
- you should review your cover periodically to make sure it's still appropriate to you
- if you need additional cover, you will need to apply to the Insurer
- you won't be eligible for Default Cover in the future

I want to convert my Default Cover to Fixed Cover.

! If you're currently under 25 and you have Total and Permanent Disablement Cover that is higher than Death Cover, you will need to either increase your Death Cover or reduce your Total and Permanent Disablement Cover if you want Fixed Cover.

You can reduce your cover under **Section 7. Reduce Death and Total and Permanent Disablement Cover** of this form, or apply for additional cover by completing the [Insurance Application Form](#) available from our website add the following or by logging into the member portal. Your application will be subject to the Insurer's acceptance.

Section 7: Reduce Death and Total Permanent Disablement Cover

You can reduce your current Death and Total and Permanent Disablement Cover by entering the amount of cover you require below:

Section 8: Reduce Income Protection Cover

You can reduce your current Income Protection Cover by entering the amount of cover you require below:

Income Protection Cover: \$

No premium refund will be made if your benefit period is longer than 2 years. It is important to update your Income Protection benefit period if your employment status change so that we can decrease your premium.

You can only **increase** your waiting period or **reduce** your benefit period using this form.

If you wish to reduce your waiting period or increase your benefit period, you will need to apply using the [Insurance Application Form](#) available from our website or by logging into the member portal.

Section 10: Information from the Insurer (MetLife) - The duty to take reasonable care not to make a misrepresentation

When you apply for life insurance, we will ask you a number of questions. Our questions will be clear and specific. They will be about things such as your health and medical history, occupation, income, lifestyle, pastimes, and other insurance. The answers given in response to our questions are very important. We use them to decide if we can provide cover to you and, if we can, the terms of the cover and the premium we will charge.

- ❗ Care must be taken to answer all questions we ask as part of your insurance application honestly and accurately. Otherwise, you may not be able to rely on your insurance when it's needed the most.

The duty to take reasonable care

When applying for insurance, there is a duty to take reasonable care not to make a misrepresentation. A misrepresentation could be made if an answer is given that is false, only partially true, or that does not fairly reflect the truth. This means when answering our questions, you should respond fully, honestly and accurately. The duty to take reasonable care not to make a misrepresentation applies any time you answer our questions as part of an initial application for insurance, an application to extend or make changes to existing insurance, or an application to reinstate insurance. You are responsible for all answers given, even if someone assists you with your application. We may later investigate the answers given in your application, including at the time of a claim.

Consequences of not complying with the duty

If there is a failure to comply with the duty to take reasonable care not to make a misrepresentation, it can have serious consequences for your insurance, such as those explained below:

Potential consequences	Additional explanation	Impact on claims
Your cover being avoided	This means your cover will be treated as if it never existed	Any claim that has been made will not be payable
The amount of your cover being changed	Your cover level could be reduced	If a claim has been made, a lower benefit may be payable
The terms of your cover being changed	We could, for example, add an exclusion to your cover meaning claims for certain events will not be payable	If a claim has been made for an event that is now excluded, it will not be payable

If we believe there has been a breach of the duty to take reasonable care not to make a misrepresentation, we will let you know our reasons and the information we rely on and give you an opportunity to provide an explanation. In determining if there has been a breach of the duty, we will consider all relevant circumstances. The rights we have if there has been a failure to comply with the duty will depend on factors such as what we would have done had a misrepresentation not been made during your application process and whether or not the misrepresentation was fraudulently made. If we decide to take some action on your cover, we will advise you of our decision and the process to have this reviewed or make a complaint if you disagree with our decision.

Guidance for answering our questions

When answering our questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question that we ask you.
- Do not assume that we will contact your doctor for any medical information.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it or check with us.
- Review your application carefully. If someone else helped prepare your application (for example, your adviser), please check every answer (and make corrections if needed) before the application is submitted.

Other important information

Your application for cover will be treated as if you are applying for an individual 'consumer insurance contract'. For this reason, the duty to take reasonable care not to make a misrepresentation applies. Before your cover starts, we may ask about any changes that mean you would now answer our questions differently. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen. If after the cover starts, you think you may not have met your duty, please contact us immediately and we'll let you know whether it has any impact on the cover.

It's important that you understand this information and the questions we ask, so if you have any queries please contact the fund on 1800 021 227.
