

Privacy Collection Notice & Consent to participate in Australian Ethical research activities

Purpose of consent

1. Australian Ethical has asked you to participate in customer research as part of our research and development activities (“**Research Session(s)**”).
2. Your personal information will be collected and held in accordance with our [Privacy Policy](#) available at australianethical.com.au, Useberry’s [Privacy Policy](#) and Optimal Workshop’s [Privacy Policy](#) for Participants. It will only be shared with third party service providers for the purposes of conducting the Research Session(s). Your information may be held by third party service providers in overseas locations such as the Americas, Europe, Asia, and Australia.
3. Australian Ethical will not use your personal information collected as part of the Research Session(s) to market services to you unless you have specifically requested Australian Ethical to do so.
4. You agree to participate in the Research Session(s) and to provide the acknowledgements and consents below.

Consents and acknowledgements

I consent to:

1. Participate in interviews and provide feedback (including but not limited to online surveys, prototype click-through tasks, beta-releases of mobile application, or online call /conferencing platforms) during the Research Session(s)
2. Australian Ethical recording and storing the Research Session(s) and using any information or feedback provided for product, service and/or business plan development and education purposes.
3. Australian Ethical collecting my personal information (including my first name, last name, email, and responses) and for such information to be used and retained by Australian Ethical for the purposes set out above.

I acknowledge and agree that:

1. I have had the opportunity to read Australian Ethical’s [Privacy Policy](#), Useberry’s [Privacy Policy](#) and Optimal Workshop’s [Privacy Policy](#) for Participants, and ask any questions.
2. If I have any questions about the personal information that is being collected, or I have any complaints I can contact privacy@australianethical.com.au.
3. I will keep all information that I see or receive during the Research Session(s) strictly confidential (including, but not limited to, information about any proposed products, services, business plans, customers, testing methods and testing facilities) and will not disclose such information to any person or entity.
4. I will have no rights or interest in any product features, data, material, or systems (“Material”) developed in or as a result of the Research Session(s) and that Australian Ethical will own all intellectual property rights in such Material.
